Parent/Guardian Sportsmanship Agreement

I _____ understand that sportsmanship is an important part of the game and I will be a good sport as to teach my child sportsmanship through my own example. I will remember that this is for the children and the main purpose of recreational activities is that it is fun for everyone. I will be positive and use only encouraging words for my child and their teammates. I understand that if I want my child on a certain team that It is up to me to coach. Parents have no ability to change their Childs team. Coaches and the recreation director are the only individuals with this authority. I understand that these are recreational sports and that the referees and scorekeepers, are not professional, and mistakes will be made. I will show respect to the referees and scorekeepers and refrain from criticizing them and will contain my anger no mater how unfair a decision may seem. I will show respect to the coaches and other volunteers and recognize their importance in the program. I will excuse myself from the playing area and the players if I feel it necessary to smoke or drink.

I understand that if my behavior is deemed inappropriate I will be asked to leave the playing area. If I do not comply with the request I understand that disciplinary action could be taken. I also understand that if deemed necessary law enforcement will be called.
